

WESTERN AIRCRAFT NAMES APPROVED PIPER AIRCRAFT SERVICE CENTERS

Boise, Idaho, June 16, 2011 – Western Aircraft of Greenwich AeroGroup, Inc. announced today the appointment of two service centers for Piper aircraft in northern California. Western Aircraft appointed Mather Aviation in Sacramento, Calif., and renewed Mangon Aviation in Petaluma, Calif., as approved Piper service centers.

“We have always taken after sale service and support as our utmost priority, building our success by taking care of our customers who trusted us and our products,” said Greenwich AeroGroup’s Vice President of Aircraft Sales and Charter Management Phil Winters. “Aligning with the strengths of Mather Aviation and Mangon Aviation, we intend to continue to ensure that our customers receive the highest level of technical support for their aircraft.”

Western Aircraft joined Piper’s domestic dealer network in December representing Piper Aircraft’s product line for new aircraft sales in Alaska, northern California, Oregon and Washington.

Both Mather Aviation and Mangon Aviation are authorized to provide warranty work, aircraft maintenance, repairs, and inspections for new and pre-owned Piper aircraft Models. Piper Aircraft has approved the appointments.

About Piper Aircraft

Piper Aircraft Inc. is headquartered in Vero Beach, Fla. A global force in aviation, Piper offers efficient single-engine and twin-engine trainer, personal and business aircraft. Piper Aircraft designs, manufactures, sells and supports the strongest and broadest single-engine product line in the industry, from high-performance pistons to turboprops to the world’s most fuel-efficient seven-person business jet, the PiperJet Altaire. With economical acquisition and operating costs, Piper airplanes deliver the best value available today and into the future. Piper is a member of the General Aviation Manufacturers Association.

Western Aircraft

Western Aircraft is a full-service FBO, FAA certified aircraft repair station, and a factory authorized maintenance/modification facility for Dassault Falcon, Hawker Beechcraft, Honeywell, Rockwell Collins, Universal Avionics, Pilatus, Piaggio and many other major suppliers to the Corporate and General Aviation industry. Western Aircraft services include maintenance, avionics and interior refurbishments; aircraft sales, charter and management; parts distribution; and fixed base operations.
